Collect Data

Where will the first properties come from?

Option 1 (Recommended)

Ask local property owners to list on your platform for free.

Option 2

Visit builders.

Example:

"Hello sir,

I'm building a local property platform.

Can I upload your projects?"

Option 3

Visit local real estate agents.

They already have many listings.

Option 4

Ask friends and relatives.

Goal:

Collect at least

100 properties

before launch.

Step 8: Take Good Photos

Every property needs:

Front View

Living Room

Bedroom

Kitchen

Bathroom

Road

Google Map Location

Step 9: Verify Everything

Don't upload fake properties.

Check:
